SUBJECT: Signature of Invitations to Conference on
the Commercial Aircraft Industry

1. Action: Your signature on the attached letters of invitation to select leaders of the US aircraft industry.

2. Background: This Agency-sponsored conference on the commercial aircraft industry is scheduled for 11 June 1986 at the J. W. Marriott Hotel in Washington, D.C. The purpose of this conference is to clarify the issues facing the US aircraft industry and their implications for US economic and national security interests. In addition to leading business and technical specialists from major aerospace companies, we plan to invite senior members of the Staff of the United States Trade Representative and the Departments of Commerce, State, and Defense. While we have broached the idea of the conference with each of the participants and received a positive response, we believe that an indication of your personal interest would help in attracting the level of private sector executives needed to make this a successful and productive conference. Your direct involvement will convey the importance the Agency attaches to this effort.
